

Jam Tune List

Weekly old-time jam hosted by the Virginia Creepers • virginiacreepers.com See jam details at oldtimeabq.com/jams.html

Notes about this list:

- Updated weekly
 - Audio examples are the closest I could find to the version played at the jam.
 - This list includes all tunes played (and a few songs sung) since records have been kept, April 2013 - current date (including the 54 Facebook Live jam-along sessions during the pandemic hiatuses and beyond).
 - Tunes are organized by key. Search for specific titles/words/sources/authors/etc. using the "find" option on your browser or pdf viewer.
 - Scroll right to see all six columns.
 - We change tune titles if the "original" titles are offensive or questionable, as we see fit. (Some may still appear under "Alternate Titles.")
- **Now with festive color coding!**

A	Calico	A in Cross G	A modal	C	D	DDAD	G	Waltzes	plus a couple random extras
---	--------	--------------	---------	---	---	------	---	---------	-----------------------------

- Compiled and annotated by Jane Phillips, jam/band den mother. If you find a broken link, please send me a note. Contact: heyjane@oldtimeabq.com
